

Introduction:

This document outlines the logic and styling adjustments needed for UK orders in our checkout process. The goal is to ensure compliance with UK VAT and customs rules by limiting order values and communicating these rules clearly to customers through dynamic messages. Please implement the conditional logic and UI changes as specified below.

Message 1

MESSAGE:
We limit UK orders to £162 (£135 VAT 0), excl. shipping. This way, taxes are included at checkout, and no customs duties or additional charges will be collected later.

LOGIC:
If UK as shipping country then show message 1

STYLE:
As in the example, just change the text and colors from red to shades of green.

Message 2

MESSAGE:
For UK shipping subtotal must be under £162 (incl. VAT). Please reduce items to proceed.

LOGIC:
If UK as shipping country + over £162 subtotal then hide shipping + payment options + show message 2

STYLE:
As in the example, just change the text.
